ONLINE LESSONS

Online guitar lessons can be a very convenient and highly effective alternative to studio lessons. You don't have to leave your house! No gas, no traffic, no worries! All you need is a video chat program (SKYPE, IChat...etc.) and your guitar. You will receive a PDF via email or dropbox of the lesson content we cover.

45 min lesson	\$45.00
60 min lesson	\$55.00

My online lesson packages are extremely flexible. The lessons can be used whenever you wish within a 3-month range. For example, we can do one lesson this week, then the next lessons in 3 weeks, then the next lessons two weeks after, etc. It's up to you!
